A reminder re Non Tagged vacancies as they are quite often being advertised with Tagged position wording. There are legal implications to this as appointments can be challenged if the wording is incorrect.

Non tagged = something open like... The successful applicant will be expected to support the ethos and special character of the school...

Tagged – must have correct wording as below:

S65 = ...A willingness and ability to take part in the Religious Instruction appropriate to the Special Character of the school shall be a condition of appointment...

S66 (DP Primary) = ...Capabilities to maintain programmes and activities that reflect the Special Character of the school shall be a condition of appointment...

S66 (DP Secondary) = ...Capabilities to assist in planning and organising the courses and programmes at the school to ensure they reflect the Special Character of the school shall be a condition of appointment...
