### **Other RE Qualifications**

### Catholic Theological College

As well as short courses, the Catholic Theological College offers formal qualifications in Religious Education through the *'Certificate in Christian Studies'* and the *'Diploma in Christian Studies'*, both with a focus on Religious Education.

The study consists of papers in Theology, Scripture and Religious Education. At the diploma level, there is a choice of which particular courses are studied. This would be considered the minimum qualification that a specialist teacher of Religious Education would be working towards.
