

## **In a relationship?**

### **Where to next?**

*“The best date of my life”*

*[quote from a recent participant]*

Gift someone you love with a  
'weekend away from it all'

to form a closer bond to each other, couple discussion time,  
well facilitated to provide a solid foundation for those  
contemplating commitment and marriage.

Give yourselves the precious gift of time together.

Weekends: 18 /19 March, 19 / 20 August, 25 / 26 November
