Heavenly Father, we come before you today, mindful of the precious children you have entrusted to our care. We pray for all children, especially those who are vulnerable, suffering, or in need.

### **For children facing abuse and neglect:**

We ask for your healing and restorative power to be poured out upon them. May they find safe havens and loving hands to guide them.

### **For children living in poverty or hardship:**

We pray for their basic needs to be met, for opportunities to learn and grow, and for a future filled with hope.

### **For all children:**

We pray for your guidance and protection, that they may be shielded from harm and negativity. May they develop into kind, compassionate, and responsible individuals.

### **For families and communities:**

We pray for strength and love, that they may be a source of support and encouragement for children.

### **For the world:**

We pray for a future where all children can live in peace, safety, and abundance. May they be free to dream, learn, and grow to their full potential.

We offer these prayers through Christ our Lord, who loved and embraced children. Amen.
